Brother Michael Joseph Little,

For your long and distinguished service to our country we are forever grateful. It is an honor to have a man with your character and devotion a member of our Fraternity.

I have read your service record and I along with the members of Illinois Freemasonry am proud to have you as a member of our Fraternity. Your devotion to our country stands out as a reminder that we are a free nation, free to worship the God of our choice, free to seek employment, free to choose a way of life and the many more freedoms that we as a people sometimes forget and take for granted. These freedoms are bought and paid for by many lives and years of service from men and women who give of themselves to protect those rights. Brother Little, you sir, stand out among them as a true and outstanding man and Mason. Thank you for your devotion to our country and for your devotion to our Fraternity.

Congratulations on your retirement from the U.S. Navy and we wish you a healthy and long life.

Fraternally,

David P. Lynch, Grand Master
