

**CERTIFICATE OF APPRECIATION
FROM
THE UNITED STATES NAVY**

To all who shall see these presents, greetings:

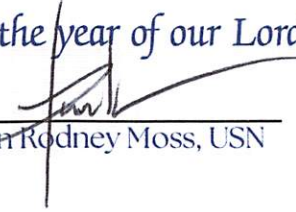

To

Jim and Juanita Little,

By the authority vested in me, it is with heartfelt appreciation and respect that I convey the sincere thanks of the United States Navy. Your unwavering support and dedication to your nephew, Petty Officer Second Class Michael Joseph Little, throughout his distinguished service to his country, have been instrumental to his well-being and our collective security.

Your steadfast love and support have been a constant source of strength for Michael. The sacrifices you have made and the distances you have bridged symbolize the strength of family ties and your commitment to the values upheld by the United States Navy. In every moment of duty that Michael spent in service to our nation, your encouragement and care have served as his anchor and refuge. Through your actions, you have exemplified the enduring spirit of partnership and the profound bond of family, which in turn fortify the foundations of our Navy and nation. In honor of your invaluable contributions and unwavering support of Michael and the greater Navy community, we proudly present this certificate to you.

Given this tenth day of February, in the year of our Lord, two thousand twenty-four.
