

CERTIFICATE OF APPRECIATION FROM THE UNITED STATES NAVY

To all who shall see these presents, greetings:

To

Justin Little,

By the authority vested in me, I extend the deepest gratitude of the United States Navy for the enduring support you have shown your brother, Petty Officer Second Class Michael Joseph Little. Your commitment and sacrifice during his service have been a beacon of inspiration and strength. The constant care and love you have provided Michael are the hallmarks of your dedication, reflecting the very principles upon which our Navy stands.

Your support has not only been a source of personal comfort to Michael but has also contributed to the readiness and resilience of our forces. As Michael has dedicated himself to the service of our nation, you have mirrored that service in the strength you have given him through your unwavering support. It is with families like yours that our Navy personnel can steadfastly commit to their duties, knowing that their loved ones uphold the home front with courage and grace. In recognition of your selfless dedication and the support that has extended beyond bounds, we present this certificate to you with honor and appreciation.

Given this tenth day of February, in the year of our Lord, two thousand twenty-four.
