

CERTIFICATE OF APPRECIATION FROM THE UNITED STATES NAVY

To all who shall see these presents, greetings:

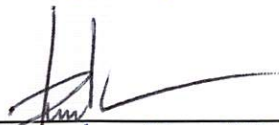

To

Mary Isabelle Little,

By the authority vested in me, I extend the warmest gratitude and recognition from the United States Navy for the steadfast love and support you have shown your father, Petty Officer Second Class Michael Joseph Little, as he served our country with honor. Your resilience and understanding during your father's absences, and your ability to inspire him with your smiles and achievements, have provided an invaluable source of comfort and pride.

The sacrifices you have made, carrying on with strength and grace, highlight the extraordinary contribution of our service members' families. The bond you share with your father is fortified by the mutual respect and unwavering support that you have displayed. Your adaptability and kindness are reflective of the highest values that we cherish in our Navy community. In recognition of your enduring spirit, the love that has illuminated your father's path, and the joy you bring as a beacon for our service member's hearts, this certificate is presented to you with admiration and thanks.

Given this tenth day of February, in the year of our Lord, two thousand twenty-four.
