

CERTIFICATE OF APPRECIATION FROM THE UNITED STATES NAVY

To all who shall see these presents, greetings:

To

William Frederick Little,

By the authority vested in me, it is with immense pride and heartfelt warmth that I express the United States Navy's sincere appreciation for the support you have provided your father, Petty Officer Second Class Michael Joseph Little, during his esteemed service to our nation.

Your understanding, patience, and encouragement have been a source of enduring strength and motivation for Michael. The sacrifices and adjustments you have made during his periods of duty, often accepting the absence of your father with bravery and grace, are a testament to your character and the supportive family to which you belong. The love and pride you hold for your father mirror the commitment and honor he has shown to his country. This unspoken bond of mutual respect and admiration between a father and his son strengthens the very fabric of our military community. For your courage and steadfastness, and for the joy and inspiration you provide to your father, we honor you with this certificate.

Given this tenth day of February, in the year of our Lord, two thousand twenty-four.
